## MEET OUR RETREAT SPEAKER

**ELLEN ORTIS** lives in Birmingham, Alabama with her husband, Andy. She's working through all the newlywed items like coordinating laundry and making sure Andy doesn't machine dry her nice running clothes – you know, the "line dry only" kind. Ellen has lived a lot of 'life' for her age, which gives her a unique perspective on how to embrace life's hardships honestly. She serves on the women's leadership team of her local church where she has been a member since her freshman year of college. Outside of her day-job, Ellen enjoys running and painting watercolor. She is currently attempting to qualify for the Boston Marathon, keep her houseplants alive, and eat mostly the healthy kinds of calories. You'll find her re-charging her introvert batteries with some classic Jane Austen and a cup of tea whilst curled up on her couch, but her passion is to see women walk empowered in healing, wholeness, and growth.

## MEET OUR WORSHIP LEADER

**EB COLE** is so excited to worship with us in beautiful Toccoa, GA! Being born and raised in Ellijay, GA, EB is a mountain girl at heart. She lives in Atlanta with her husband, Shane, and both are full-time musicians. EB is borderline obsessive with keeping her house clean, her nighttime skincare routine, and how many hours of sleep she gets each night. This MAY be getting worse as she gets older! EB can't wait to worship Jesus with us and get to know each of us!
